

## Terms and Conditions for Participation in Training Courses (TS 2.2)

### **§ 1. Definition of terms**

(1) "Client" within the meaning of these provisions is the company which is a registered customer of SupplyOn AG (hereinafter "SupplyOn") and enrolls a participant for a training course.

(2) "Participant" is the natural person who is enrolled for participation in a training course.

### **§ 2. Enrolment**

(1) Enrolments for training courses will be considered in the order they are received. As a rule, enrolments can be made via Internet, by letter, fax, e-mail or telephone. For all training courses offered on the SupplyOn training websites, SupplyOn recommends enrolling via the web enrolment form. To ensure the quality of the training courses, the number of participants is generally limited to 10 participants.

(2) SupplyOn's Terms and Conditions for Participation in Training Courses are acknowledged upon enrolment. The participants' data is stored electronically for the purposes of contract performance.

### **§ 3. Confirmation**

Upon confirmation by SupplyOn via e-mail, each enrolment shall become binding. The confirmation will be sent within a few days of enrolment.

### **§ 4. Cancellation**

(1) If participation in a training course is cancelled up to 8 days before commencement of the training course, no further obligations shall arise from the enrolment; notably, no fees shall be charged. In respect of later cancellations up to one day before commencement of the training course, 50% of the training fees shall be charged. In the event of non-appearance or cancellation at the day of the training course, the entire training fee shall be due. This shall also apply if the Participant attends a later session of the same training course. Training fee in terms of this provision means the amount currently declared on the SupplyOn-Homepage in the training area.

(2) The Client is entitled to name a substitute participant in writing instead of a prevented Participant. No additional costs shall be charged in this respect.

(3) Cancellations must be made in writing.

### **§ 5. Services**

The training fees include the following services:

- \* training content as specified
- \* required hardware and software for the duration of the training course

If a Participant is enrolled shortly before the training course, i.e. less than seven days before commencement of the training course the training fee shall immediately be due. If payment is not made until commencement of the training course at the latest, SupplyOn reserves the right not to admit the Participant to the training course. Any further-reaching claims of SupplyOn shall not be affected thereby.

## **§ 8. Reservation of right of rescission**

(1) SupplyOn is entitled to cancel each training course until 5 working days before commencement of the training course at the latest if the minimum number of 4 Participants is not reached. In this event, the Client is not entitled to an implementation of the training at the intended date.

(2) SupplyOn shall suggest a substitute date to the Client. If SupplyOn is not able to offer a suitable substitute date, the Client may rescind the agreement. Training fees already paid shall be reimbursed.

This kind of training requires an individual contractual agreement.
